MEDICAL

1. A nominal fee of \$10 for medical visits will be collected at the time of service for all patients on full subsidy.
2. Patients on partial subsidy will pay both the medical fee, \$20, plus the calculated discount amount applied to the remaining patient balance after insurance which will be billed to them.
3. If a patient presents with no conclusive proof of income to establish their sliding fee discount eligibility, the patient will be placed on temporary slide on the fly until proof is established.

DENTAL

1. A nominal fee of \$10 for dental services is expected at the time of service for patients on full subsidy.
2. Patients on partial subsidy will pay their discounted percentage of procedure fee and \$25.
3. If a patient presents with no conclusive proof of income to establish their sliding fee discount eligibility, the patient will be placed on temporary slide on the fly until proof is established.
